

School District 8  
Kootenay Lake

I am going to Kindergarten!

This is **JVH**  
**School**

I will get dropped off at school in the morning or take  
the school bus

This is where I will line up to go into my classroom with my teacher, either Ms. Pollick or Ms. Leathwood

This is where I will hang my coat and backpack.

During Kindergarten we will have learning stations, explore nature and do fun art activities.

My teachers and other adults are there to help me.

At the office, the principal and secretary can help us too.

I will eat snacks and lunch at school

I will get to go play outside

I need to ask before I  
go to the bathroom.

And make sure to wash my  
hands!

Our school has its own Library.  
We will go there to look at and take out books.

At kindergarten, we will get to play in the gym.

When school is finished, I will get picked up or  
line up for the bus.

I will meet new children in kindergarten

If I feel excited or nervous about going into kindergarten, that's okay. I can be brave and I will have fun at school.
